Creating spaces for creative minds

MakerHub

The Gratnells MakerHub is designed to be a multi-functional resources cart that promotes collaborative working in STEAM activities in the classroom. A variety of Gratnells trays can be used in the MakerHub thanks to the flexible runner system in the base storage unit. Runners can also be fitted to allow for trays to be used on both sides of the carts.

Makertub cart features

Industry standard boards are interchangeable – simply lift up and draw down to remove. Change between magnetic whiteboards, chalkboards and pin boards to suit your classroom activities.

Runners can also be fitted to allow for trays to be used on both sides of the cart, encouraging collaborative working amongst students.

A variety of tray colors are available to suit age groups and activities. From bright early years colors, such as Sunshine Yellow or Jolly Lime to more mature colors for secondary students, such as Silver or Translucent.
